DOES;

FEELS;

The youtube channel was promoted the purchase for 1.65 billion in stock in November 2006.

The limited succes in commercializing its web site or containing its growing costs, youtube began looking for a buyer.

Shortly after the site opened on a limited ("beta") basis in May 2005, it was attracting some 30,000 visitors per day.

Rather than merging the web sites ,hower ,Google continued youtube's operation as before.

As of Febrauary 2023, 21 of the 50 channel's listed primarily produce content in English while 16 primarily produce content Hindi.
